Amazing, open-concept home with a welcoming gallery-style foyer. The spacious great room is ideal for hosting and everyday use. Having the flexibility to work from home is becoming more important and the home office allows you to work with ease. Connect over dinners in the casual dining or relax on the back covered patio. The 2nd bedroom downstairs is great for guests. The gourmet kitchen is perfect for cooking year-round showcasing a large central island. Retreat to the primary suite bathroom where you can unwind and relax or catch your favorite movie in the upstairs game and media rooms. Topped off with the 3-bay garage, this home won't be around for long!
